

MoveFwd – Leadership Announcement

The MoveFwd Board of Directors would like to share that our Executive Director, Sarah Granger, is leaving MoveFwd. Sarah's last day will be Wednesday, August 11, 2021. Below are statements from Sarah and the Board of Directors regarding this change:

Statement from Sarah Granger

I'm writing to let you know that after nine rewarding years with MoveFwd, I am going to be transitioning to a new chapter. MoveFwd turned 30 years old in 2020, and I am so proud to have worked for an agency that has always made supporting young people in their mental health and housing stability the top priority and I am confident that will never change. When I think about my time at MoveFwd, it is the relationships that have impacted me the most; with dedicated staff, committed community members and funders, and inspiring young people. Thank you for being in relationship with me, and MoveFwd. The life of a young person is always the best investment we can make, and it has been a privilege to do that with you.

I will be with MoveFwd until August 11th and look forward to working collaboratively with our Board of Directors to ensure a successful transition.

Sarah Granger, MoveFwd Executive Director

Statement from the Board of Directors

The MoveFwd Board of Directors would like to thank Sarah for her service to MoveFwd over the last 9 years. Sarah has been an incredible asset to the organization and we are grateful for her valuable contributions. She has been instrumental to many of MoveFwd's successes and has built meaningful relationships within the organization and across our community. We will miss Sarah dearly and we wish her success as she starts a new chapter.

Looking ahead, our Board of Directors is committed to working jointly with Sarah to ensure a smooth transition as we continue our 30+ year mission of supporting youth and their families in our community. MoveFwd remains dedicated to serving young people in our community and will continue to maintain a normal state of affairs while we search for Sarah's replacement. The Board has established a search committee and has identified an Interim Executive Director, Melissa Martinez-Sones. The Board has also started the process of hiring a permanent Executive Director. We will provide further communication as the search progresses. We appreciate your patience in advance.

As a supporter of our mission, your input is important. To share your questions/comments during this transition, please contact Caren Seenauth, Chair of the Board of Directors, at caren.seenauth@gmail.com.

With Gratitude,

Caren Seenauth
MoveFwd Board of Directors Chair
